Columbarium Memorial Garden

Trinity 
LUTHERAN CHURCH

Dear Friends in Christ,

The loss of a loved one is among the most difficult times in life. How we remember, honor and care for them after death is an important part of the healing process. Throughout history, the church cemetery has been the final resting place of the deceased members of the Christian community—a powerful reminder of the Communion of Saints.

We are pleased to announce that the Trinity Leadership Team has authorized construction of a Columbarium Memorial Garden near the Labyrinth. A columbarium is a wall of small "niches," designed to hold the cremated remains (cremains) of loved ones. The columbarium becomes a place of remembrance, meditation and prayer. It will feature 98 niches. Each niche has room for two urns. It allows the remains of the deceased faithful to be placed on the grounds of the church that played such an important part in their lives. The columbarium will be available to Trinity members, their families and friends of Trinity. All are welcome.

The columbarium will be funded and maintained entirely through niche sales. Contact the church office for more information about the columbarium and how you can reserve a niche for yourself and your loved ones.

Pastor Scott Sessler

Pastor Katie Christie

”

I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.

“

John 11:25–26

Reserving a Niche

Moving forward with the development and construction of Trinity's Columbarium Memorial Garden requires the support of individuals or families committed to the project. The columbarium will be self-funded through the sale of niches, memorials and donations. No funds from Trinity's operating budget will be used, and construction will only begin once the necessary funds have been raised.

To reserve a niche, submit a completed application and full payment to the church office. Copies of the application will be available in the church office and online. For more information on the columbarium project or to make a donation, please contact the church office or a columbarium trustee.

Cost

One niche is \$2,500.

Each niche can hold two urns. Urns and engraving are included in the purchase price.

The niche fronts will be inscribed with full names, abbreviated months, date and years of birth and death.
