

# November

## Trinity Lutheran Preschool's Drops of Ink

What a wonderful month November is! The colors on the trees, the coolness of the season, even the wind that blows the leaves down make fall beautiful.

There are lots of exciting activities for your child this month. Please keep up with your child's newsletter that comes from the teacher. The teachers put a lot of time and effort into informing parents of the classroom and school activities!

I don't want this month to go by without sharing with parents how much we enjoy your little ones! They bring happiness to our classrooms and brighten our days! Thank you for sharing them! They are truly a blessing in our lives!

Happy Thanksgiving to all!

Ms. Brenda

### Dates to Remember

- 11/1: Tuition Due
- 11/18: Children's Thanksgiving Feast and Preschool Program
- 11/21-25: No School Thanksgiving Holiday

## Thanksgiving Feast

On Friday, Nov. 18, we will be providing a Thanksgiving Feast for our students. Your child's feast menu will be chicken nuggets, tater tots, popcorn and applesauce (**no need for your student to bring lunch on this day**). Following lunch the children are inviting their parents for dessert and a small program. The program will start at 12:30pm. Our preschoolers will sing about thanks and hear a story. After the program, feel free to enjoy dessert with your child. There will be **NO** afternoon carpool as school will dismiss after the program.
